Thank you for your email.

We rarely vote positions on pending Bills in front of the state legislature, but I agree AB1250 should be added to our City Council agenda. I will raise the issue of adding it on Tuesday night. Kirsten Keith, who is serving as the City's mayor this year, ultimately is in charge of selecting what items are placed on our agenda. She traveling out of the country and won't be at the meeting Tuesday, so it may be a few weeks before we gain confirmation it will be added to an agenda in the future.

With best regards,
Ray

Please add AB 1250 to the agenda. This bill needs to be defeated. The city should be able to consider outside services and contractors if more cost efficient than hiring new employees. Thank you for your consideration of this issue.
